I agree to read and follow the instructions below regarding the adoption of the above animal:

1. The animal identified above is adopted with all its faults, if any, for which the City of Paris Animal Control shall not be held liable or responsible. The City of Paris Animal Control believes the animal to be in good physical condition but cannot guarantee its condition. The animal should be taken to a veterinarian chosen by the adopting individual within seventy-two (72) hours of adoption (and annually thereafter) for a thorough examination and immunization against common diseases and rabies. The animal may be returned to the City of Paris Animal Control or exchanged for a refund within ten (10) days of your receipt of the animal for existing health problems verified by a licensed veterinarian.
2. The animal shall be provided nutritious food, fresh clean water, adequate shelter, exercise and immediate veterinary care if it becomes sick or injured.
3. The animal SHALL NOT be allowed to run at large and/or become a public nuisance.
4. The City of Paris Animal Control requires that the animal you are adopting be spayed/neutered prior to your adoption of the animal. You specifically authorize and direct the City of Paris Animal Control to transport the animal you are adopting to a veterinarian chosen by the City of Paris Animal Control for spay/neuter. Upon completion of the spay/neuter procedure, the City of Paris Animal Control will collect the animal from the veterinary clinic performing the spay/neuter, return the animal to the City of Paris Animal Shelter, and notify you that the animal is ready for you to pick it up.
5. You agree that the City of Paris Animal Control has the right to investigate the home at which the animal will reside and is authorized to remove the animal if the animal is not receiving adequate care, there is a violation of this adoption contract, and/or there is a violation of any ordinance or law.
